We are looking for

Interns in IT Audit

As an Intern, you'll work as part of a team of problem solvers, helping to solve complex business issues from strategy to execution.

Main responsibilities:

- Support in performing IT audits and reviews of systems, applications and IT processes
- Support in performing IT security and compliance audits
- Preparing and documenting results of IT audits
- Supporting Financial Audit teams

What are we offering?

- 3-6 months paid internship
- Interesting projects
- Professional and technical growth, steep learning curve
- Working closely with leading industry experts
- Working with renowned companies
- Friendly work environment
- Keeping up to date with technical developments for business area

Requirements:

- Ability to adapt quickly and accept feedback
- Good command of English language
- Drive, dedication and willingness to learn and develop in the area of IT Audit

*No prior work experience is required

We are for all. Through our strategy, we are focused on fostering a culture of belonging and equity where a diverse community of solvers can thrive and feel like they truly belong.

If you fulfill above requirements and want to grow professionally in an outstanding business environment, please apply online (pwc.rs) by **23 September 2024**.
